Price: \$24.95 US/\$33.95 Canada  
192 pages, 7 1/4" x 9", paperbound,  
50 line drawings  
ISBN: 0-87127-285-7

"Dunkin . . . has been successful in laying out intricate concepts in a direct, appropriately comprehensive, and organized fashion."  
*Barbara Bashaw, Director, Dance Education,  
New York University*

"I really enjoyed reading this book and trying ideas out with my students. It makes a very useful contribution to the literature."  
*Chris Roberts, 4th Grade Teacher, Utah*

More than 70 dance activities in this handbook give educators the tools to use dance in their classrooms, gyms, and playgrounds. Combining theory with practice, an introduction to the history of dance education and to dance terminology provide the foundation for the lesson plans and activities tailored for physical education,

kinesthetic learning, and arts education. Each lesson plan and activity can be customized to fit into any curriculum. Includes appendices on equipment and dance-education networking resources. A specialized list categorizes age-appropriate dance activities, sample lesson plans and group dances.

### Table of Contents:

**About the Author:** Anne Dunkin, Ph.D., Univ. of California-Riverside, is project coordinator for the National Dance Education Organization Research in Dance Education Database and cofounder of Qwindo's Window, a professional dance company that presented dance education programs to children and their teachers. She taught "teaching dance" to

preservice elementary educators at Cal State U.-Fullerton for ten years and taught dance to children at Kalorama Day School in Washington DC, Gill St. Bernard's School in Bernardsville, NJ, Landmark West School in Encino, CA and private studios. She has written articles for *Arts Education Policy Review* and *Dance Teacher Now*.
